How Great is Our God

Freedom from fear

2 Timothy 1:7 – God has not given us the spirit of fear, cowardice, or timidity.

Genesis 3:7-10 – The greatest fear of all is of God. The accuser tempts people to fear God. Because of fear, man hides himself from God.

Romans 8:15-17 – The spirit of slavery or bondage causes fear.

Mark 5:2-5, 14-17 – The fear of the supernatural causes people to run from our Lord and our God. Many Christians live powerless lives because they are afraid of wrongly applying the manifestations of the spirit.

Exodus 14:10-13 – Fear of circumstances, situations, and people tempt people to blame God. Focus on God rather than is vital.

1 Samuel 15:20-24 – Saul feared the people, so he disobeyed Yahweh.

Many political leaders compromise their integrity to appease the people. Many religious leaders compromise the integrity and accuracy of God's Word because they fear losing their job, church, or the people.

Galatians 2:11-13 – Peter rejected God's truth because of fear. Fear has ruined more men's ministries than anything else.

Judges 7:2 and 3 – 22,000 left because of fear. 300 fearless godly men defeated 135,000.

2 Timothy 1:7:

- Power - Acts 2:14; 4:19-220; 2:4; Romans 8:15-17
- Love - 1 John 4:15-18 love eradicates fear

Sound mind – 1 Samuel 17; 21:8-15; Psalm 34:1-6; James 1:21
